1. Bau-Union Wismar is presently engaged in expanding Tutow Airfield. A concrete runway for jet aircraft is to be extended to a length of 4 kilometers and a width of 80 meters. At present forms are being laid, prior to pouring concrete.
2. The field is presently being enclosed with fences, predominantly board fences. A total of 7,200 square meters of boards are being cut for fencing. Other parts of the field will be enclosed with barbed wire. At the entrance to the field toward Tutow a barracks building is being erected for KVP guard personnel.
